Any suggestions for curriculum improvement:

12 responses

.

No

Need improve in ICT based class room

More practical oriented syllabus is required

Syllabus will be connect to job oriented and build the nature

Need Artificial intelligence courses for degree students

Should include the topics that are practical, real word application related...Instead of only focusing on the theoretical part.

Please encourage to faculty all the time

Include more relevent contents to inculcate soft skills

What do you like most about the course/teacher?

63 responses

Teaching skill

Nothing

Communication

Good

Excellent

Teaching

Very good class takeing daily

Good

It's good

Nun

The course is good but some topic could be explained in more detail

I like the teachers because of clear explanations, friendly behavior, and supportive teaching.

Good communication

Sumuk sir

The best teaching staffs

teaching

There are friendly and supportive

I like their friendly teaching style

All

"The course is informative and engaging, and the teacher explains concepts clearly, making learning easy and enjoyable."

Teaching Skills

The like teacher's teaching and they explain clearly and simply ✨

Nothing

Cad

The teacher explain the concept clearly ane makes the classes intersting easy to understand

good communication and support

Good teaching

I like their teaching style

Coordination

Improve the skills in software companies

They are like family ..

Vary good teaching

Teaching skills

Both

Teaching way

The teacher explains the subject clearly, and the course is easy to understand.

..

The way they always support and appreciate students

Supportiveness

Humbleness

Good teaching

They are friendly

It's about Computer

None

The teaching method

The course was well-structured and easy to understand. The teacher explained concepts clearly, encouraged student participation, and was always willing to clarify doubts. The teaching style made learning interesting and effective."

Teaching skills

Good teacher and good friends and memorys

The course is good, but some topics could be explained in more detail.

Course

The teacher is very friendly and clears all our doubts patiently.

They support us for extracurricular activities

They are supportive for sports and culturals

CAMPUS

Good and student friendly lectures

Suggestions for improvement

Good teaching

Nothing

Please support sports students respect them

Required to complete syllabus

Technology improvement

Nun

Some teachers teach well but some teacher do not teach well

Provide more practical learning and workshops.

Make strict rules for attendance of students

No anything

nothing

"The course and teaching were very good. More practical sessions, interactive activities, and real-world examples would make the learning experience even better."

More practical examples interactive activities and revision session s would make the course even better

All ok

make stick rules for attendance

More examples.

Technology improvement

Good

Already good enough

Exam time 9:30 change to 10:00

No comment

No Suggestions

Good teaching facility

More activities and examples can help students learn better.

.

Held the college upto 4:00 clock

Good teaching

None

More practical examples, interactive activities, and real-world case studies could be included to enhance understanding and engagement. Additional revision sessions before assessments would also be helpful."

Good reeding

Some teachers teach well but some teachers do not teach well.

No suggestions everything is perfect

Upgrade classroom facility
